Soccer Fields**

Join us for a soccer clinic at the Jordan Middle School on August 17th. Jeff Kes and several other soccer people will spend some time teaching the cub scouts some basic soccer skills.

We will finish the evening with a soccer game of cub scouts versus parents! This is your chance to earn your soccer belt loop in a single evening, so

don't miss it!

If you own your own soccer ball, please put your name on it and bring it along.

This pack meeting qualifies our pack for the National Summertime Pack Award which is required to achieve the National Quality Unit status for 2006-2007.

Put your scout uniform on and join us for the annual Heimatfest parade. We

will be gathering at our usual spot near the front of the Jordan Fire Station, and riding our float throughout the parade and distributing candy. Scouts can be picked up at the end of the parade in front of front of the old St. John's School.

Please bring a bag of candy with you that we

can pass out to the crowd at the parade.

In the afternoon, scouts will be helping the pack raise money by working shifts at the pop booth. Todd Schansberg and Barb Hedstrom will be sending out letters with your work shift.

be built during den meetings or at home during the month of September, and launched at the Simonson residence on Saturday morning, September 30. Come join us in this high flying event!
