

Bear Cub Scout Uniform Den 5 – 2008-2009

Although uniforms are not required by BSA, most of the boys in Pack 332 do have them.

It promotes unity and equality amongst the boys and they tend to behave better in uniform. A uniform is also a great way for the Scout to show off his accomplishments through his years as a Cub Scout. Any questions, please feel free to ask Matt or Jessi, your Cubmasters, at 952-492-5837 or cubmaster@jordancubscouts.org or assistcub@jordancubscouts.org.

All items are part of the official uniform most of the boys wear. The blue shirt will be worn until the Scout is in 4th or 5th grade. The shirts weather well so plan to buy a little big. Also, short sleeves work better. The Scout can always put on a long sleeve shirt under the uniform but has a hard time taking off the sleeves. There are also pants, belts, socks, and hats available, if you wish. If there are questions about patch placement, please ask.

New Bear Cub Scouts are will receive his book at Orientation. The book will help the Scout throughout the year to achieve his Bear and Bobcat ranks.

All items can be purchased at the local Scout Shop (14250 Plymouth Ave S, Burnsville, MN 55357, 952-892-0206) or online at www.scoutstuff.org.
