    - Cub Scout 1 – I am the head of a large dinosaur. I make sure the dinosaur knows what it needs to do to survive among the other dinosaurs.

- Cub Scout 2 – I am the jaws of the dinosaur. My teeth catch and chew up my meals, whether it's a branch from a tree or a smaller dinosaur.
- Cub Scout 3 – I am the neck of the dinosaur. I make sure the dinosaur can reach high enough to get all the leaves on the tree.
- Cub Scout 4 – I am the body of the dinosaur. I am bigger than the body of any animal that roams the earth today.
- Cub Scout 5 - I am the legs of the dinosaur. I support my huge body and make sure the dinosaur can run fast enough to catch dinner or to keep from being dinner.
- Cub Scout 6 – I am the tail of the dinosaur. Now you have heard the tale of the large dinosaur. And this is the tail end of the meeting, so it's time to go. Good Night!
