- Opening Ceremony
 - o “Jurassic Park”
 - Leader – Tonight we are going way back in time to the age of the dinosaurs. Since they spend most of their time eating, we thought you should meet some of them and hear what they liked to eat.
 - Cub Scout 1 – I am a Brontosaurus and I eat plants. I love salad bars.
 - Cub Scout 2 – I am an Iguanodon and I dig in the ground to find food. I was my hands after every meal.

- Cub Scout 3 – I am a Protoceratops and I'm a grazer. Cows copied my eating habits.
- Cub Scout 4 – I am a Hypsilophodon and I love to eat fruit. My mom never had to tell me to eat five fruits a day.
- Cub Scout 5 - I am a Tyrannosaurus and I eat other dinosaurs. (The other dinosaurs move away from him)
- Cub Scout 6 – I am a Cubosaurus and my favorite food is den meeting snacks!
- Leader – Now that we've been introduced, let the Pack Meeting begin!
